Loyalist Township MHA Receives \$12,000 OTF Grant

“I’m pleased that the Ontario Trillium Foundation has made this investment in the Loyalist Township Minor Hockey Association,” said their President, Marg Lawson. “The benefits of this grant will not only encourage players and volunteer coaches to develop and strengthen their skills, but I believe the lessons of teamwork and coaching can be applied to other aspects of their lives and add to the verve of our community as a whole.”

Money from the grant will also be used to upgrade the office computer equipment; some will go towards establishing a Coaches’ Resource Centre and what’s left over will help offset power skating session costs and perhaps a fresh coat of paint for the hockey office.

“It is support like this that makes youth programs work within Ontario. We thank the Ontario Trillium Foundation for the chance to improve our programs to the benefit of the youth of Loyalist Township” concluded Marg.
